WHAT IS THE MICROSOFT WORD - ADVANCED ONLINE TEST?

The Microsoft Word - Advanced online test assesses candidates' skills in using the advanced features of the text editor. The questions measure their ability to format a Word document.

DIMENSIONS ASSESSED

- ▶ Environment and methods
- ▶ Page layout and formatting
- ▶ Editing tools
- ▶ Graphic objects and tools

ADVANTAGES

- ▶ Complete autonomy on Interpreto's user-friendly platform for test administration and report management.
- ▶ Report is generated instantly, as soon as the candidate completes the test.
- ▶ In addition to providing the overall score, the results report allows you to identify the candidate's level of proficiency (beginner, basic, productive, advanced, expert) for each skill category, as well as the time spent by the candidate on each of the test questions.

DEVELOPMENT OF THE TOOL

The Word - Advanced test is owned and maintained by Isograd/TOSA*
