Themes & Templates

Domain description:

This domain covers creating, using, and managing presentation templates, as well as working with slide masters, document masters, and layouts. Skills in using and modifying pre-defined themes are also assessed.

Graphic objects

Domain description:

This domain covers the insertion and formatting of graphic objects (Clipart, charts, SmartArt), and PowerPoint animations.

Text formatting

Domain description:

This domain covers text input: using text placeholders, basic and advanced formatting, bullets, and numbering, and creating and manipulating tables.

Environment / Methods / Slideshow

Domain description:

Questions in this domain cover the main features and functions of the common tabs: File, Home, Design, Insert, and Slide Show. Skills assessed include creating, inserting and selecting slides, basic and advanced functions of Slide Show view, and the configuration of print and save parameters.
