Average completion time: 15 minutes

COST

20 \$

LANGUAGES AVAILABLE

French
English

DIMENSIONS ASSESSED

- ▶ Information and data literacy
- ▶ Communication and collaboration
- ▶ Digital content creation
- ▶ Digital safety
- ▶ Problem solving

ADVANTAGES

- ▶ Complete autonomy on Interpreto's user-friendly platform for test administration and report management.
- ▶ Report is generated instantly, as soon as the candidate completes the test.
- ▶ In addition to providing the overall score, the results report allows you to identify the candidate's level of proficiency (beginner, basic, productive, advanced, expert) for each skill category.
- ▶ You also see the score given to each question passed, as well as the time spent by the candidate on each of the test questions.
- ▶ Results that allow you to adapt your training programs to the needs of your teams.

DEVELOPMENT OF THE TOOL

The DigComp - Intermediate test is owned and maintained by Isograd/TOSA*

* Tosa is an international standard for the assessment and certification of office and digital skills.
