WHAT IS THE ENGLISH SPEAKING ONLINE TEST?

The online English Speaking test is a test of proficiency in spoken English. The test measures the candidate's ability to understand spoken English, to structure grammatically correct sentences and to communicate clearly and intelligibly in English, through six different categories of exercises (reading aloud, repetition of spoken sentences, short answers to spoken questions, ordering of sentence segments, summary of spoken story and open question). This automated tool provides a rapid overview of the candidate's degree of proficiency in spoken English.

DIMENSIONS ASSESSED

- ▶ Sentence mastery
- ▶ Vocabulary
- ▶ Fluency
- ▶ Pronunciation

ADVANTAGES

- ▶ Complete autonomy on Interpreto's user-friendly platform for test administration and report management.
- ▶ Report generated instantly, as soon as the candidate completes the test.
- ▶ In addition to providing the overall result, the results report allows you to identify the candidate's level of proficiency for each skill category based on recognized standards (GSE), the degree of intelligibility on a 5-point scale, as well as suggestions to help the assessed person develop.

DEVELOPMENT OF THE TOOL

The English Speaking test is owned and maintained by Pearson.
