WHAT IS THE FRENCH SPEAKING ONLINE TEST?

The French Speaking online test is a test of proficiency in spoken French. The test measures the candidate's ability to understand spoken French, to structure grammatically correct sentences and to communicate clearly and intelligibly in French, through six different categories of exercises (reading aloud, repetition of spoken sentences, short answers to oral questions, ordering of sentence segments, summary of spoken story and open question). This automated tool provides a rapid overview of the candidate's degree of proficiency in spoken French.

DIMENSIONS ASSESSED

- ▶ Sentence mastery
- ▶ Vocabulary
- ▶ Fluency
- ▶ Pronunciation

ADVANTAGES

- ▶ Complete autonomy on Interpreto's user-friendly platform for test administration and report management.
- ▶ Report generated instantly, as soon as the candidate completes the test.
- ▶ In addition to providing the overall result, the results report enables you to identify the candidate's level of mastery for each skill category according to recognized standards (CECRL), as well as suggestions to help the assessed person develop.

DEVELOPMENT OF THE TOOL

The French Speaking test is owned and maintained by Pearson.
