WHAT IS THE TEAMS - INTERMEDIATE ONLINE TEST?

The Teams - Intermediate online test assesses candidates' skills for regular use of the virtual communications application. Questions measure their ability to set up and personalize the tool, create conversations (written or video) and share information via work teams and channels.

DIMENSION ASSESSED

- ▶ General knowledge of Teams

ADVANTAGES

- ▶ Complete autonomy on Interpreto's user-friendly platform for test administration and report management.
- ▶ Report generated instantly, as soon as the candidate completes the test.
- ▶ In addition to providing the overall result, the results report allows you to identify the score awarded to each question passed, as well as the time spent by the candidate on each of the test questions.

DEVELOPMENT OF THE TOOL

The Teams - Intermediate test is owned and maintained by Isograd/TOSA*

* Tosa is an international standard for the assessment and certification of office and digital skills.
